September 29 Math Night

Sept. 30 Early Release Day 1:35 dismissal

Sept 30 Book orders are due.

Oct 2 School Pictures

Oct15-16 No School

First Field Trip

Kindergartners will be using their 5 senses as we explore the Fischer Croix Apple Orchard on October 6. The cost of the field trip is \$8 We will be eating lunch at the orchard. Students can pack a lunch from home or use their cafeteria account to purchase a school made lunch. Parent chaperones are welcome and invited, but will need to drive or carpool separately. The orchard does charge parents and other siblings \$5. Please let me know if you are interested in chaperoning!

Hydrate!!!! Good kindergarten learners need to be well hydrated. It is very hard to get enough water by infrequent trips to the drinking fountain. If you would like, you can send a water bottle (LABELED) to school with your child each day that he/she can keep in the classroom.

Have a great week! Sarah. Woxland
